Copyright Release Form

For the mutual benefit and protection of Authors and Publishers it is necessary that Authors provide formal written CONSENT TO PUBLISH and TRANSFER OF COPYRIGHT before publication of their work to the CD Proceedings of EAM2005 Conference.

The signed CONSENT ensures that Institute of Communication and Computer Systems (ICCS) (=Publisher) has the Author's permission to publish the relevant Work. The signed TRANSFER entitles the Publisher on behalf of the Author to Protect the Work against unauthorized use and to authorize dissemination of the Work by means of offprint, legitimate photocopies, microform editions, reprints, translations and secondary information sources such as abstracting and indexing services including databases. The Publisher hereby requests the Author to complete and return this form promptly to ICCS so as to endure the proper conduct of business.
